Instructions of Poster Presentation

Instructions for preparing posters

A display board with <u>usable</u> width of **120 cm and height of 140 cm** will be provided for fixing the poster. These dimensions should not be exceeded.
Pins will be provided.

The poster should contain the following:

- Title, Authors, Institution address
- Brief Introduction
- Objectives
- Concise Methods
- Results
- Discussion/Conclusion
- Key References (Optional)

It is recommended that font sizes be no smaller than Times Roman 28 to facilitate easy viewing.

The poster presenters should stick their posters in the Lobby of Faculty of Medicine by 8.00 AM on Sunday, February 14, 2016.

Instructions for Oral presentations
- The language of the conference will be English
- Use Windows compatible Microsoft PowerPoint file only
- Presentations should be handed in to the technician before the start of your designated session (preferably on virus-free flash drive!!)
- The presentation time will be 8 minutes with 2 minutes for questions
